

MDS Nordion Announces Executive Management Team

Ottawa, CANADA, February 4 -- Steve West, Chief Executive Officer, MDS Inc., today announced the MDS Nordion Executive Management Team accountable for leading the business in the future. The announcement follows Mr. West's recent appointment as Chief Executive Officer of MDS Inc. earlier this month (January 8).

MDS Nordion's Executive Management Team is as follows:

Christopher Ashwood	Senior Vice-President, Human Resources & Information Technology
Jill Chitra	Senior Vice-President, Strategic Technologies & Regulatory Affairs
Peter Covitz	Senior Vice-President, Innovation
Peter Dans	Senior Vice-President & Chief Financial Officer
Chris Wagner	Senior Vice-President, Sales & Corporate Development
Tamra Benjamin	Vice-President, Communications
Kevin Brooks	Vice-President, Marketing
Scott McIntosh	Vice-President, Operations

For additional information on the individuals noted above, please [click here](#).

We continue to work with the team in Toronto to complete the strategic repositioning of the company.

MDS Inc. Strategic Repositioning

MDS Inc. is a leading provider of products and services to the global life sciences markets. The company's repositioning includes the [recently completed sale of the MDS Analytical Technologies business](#) and the intended sale of the MDS Pharma Services Early Stage business. Following the completion of the strategic repositioning plan, the Company will be focused on its MDS Nordion business.
