

Nordion(Canada) Inc. Event Reporting

For the Quarter (July – September 2018)

Event Number	Event	Status/Outcome
18-14*	Nordion received confirmation of delivery of a shipment of sealed sources from a customer. The confirmation indicated delivery of the sources to the medical facility's second campus rather than the campus noted on the shipping paperwork.	Currently under investigation
18-15*	A transport package was returned to Nordion with damage to the inside of the package plug.	The transport package has been placed in quarantine and cannot be used until repaired. Nordion will investigate and evaluate the processes for third party use of transport packages.

** There was no impact to health, safety, environment or security as a result of these events*
